MIDDLE EAST & CENTRAL ASIA AQUACULTURE (MECAA) 2016 IN IZMIR!

The 2016 edition of the Middle East&Central Asia Aquaculture (MECAA-16) – “Towards sustainable aquaculture” - will be held in conjunction with the Future Fish Eurasia 2016, Izmir, Turkey between 2 - 4 June 2016.

MECAA-16 will bring together aquaculture industry experts and academics from around the world and offer a state-of-the-art platform to interact, debate and exchange views on recent results, projects and research.

The Organising Committee would like to invite all producers, farmers, suppliers, investors, industry experts and academics to Izmir, Turkey to attend this unique forum. Attendees can expect a world class state-of-the-art programme covering a wide range of topics such as: shrimp, biotics & bioflocs, marine fish, aquaponics, aquaculture investment in the Middle East & Central Asia, sustainable aquaculture, freshwater fish, nutrition, health, algae, seaweeds, production systems, offshore aquaculture & IMTA, water conservation, education & technology transfer.

FUTURE FISH EURASIA; Turkey's Only Fair In Its Sector

Future Fish Eurasia, the 8th International Fair for Fish Imports/Exports, Processing, Aquaculture and Fisheries will be organised by Eurasia Trade Fairs in a hall of 10.000m², where over 300 local & international companies will display their products and services. As Turkey's only fair for fish processing, aquaculture & fisheries, Future Fish Eurasia has proven its international success and is marked in the agendas of local and international trade professionals as the most effective fair in the region. It is an opportunity to introduce your aquaculture and/or processing technology to Turkey and its neighbouring countries, buy quality farmed products, or sell alternatif seafood. Thousands of fish traders, farmers & processors will be visiting the show.

A combined event of Future Fish Eurasia and Middle East&Central Asia Aquaculture (MECAA) has drawn major interest worldwide. The Organising Committee would like to invite all producers, farmers, suppliers, investors, industry experts and academics to Izmir, Turkey to attend this unique organisation.
